Dear Sir: Re: Dr. Cloy Lee Francis, Your File 1059[illegible]

In order that we may complete our determination of the citizenship of Dr. Francis it is necessary to learn the answer to the following question:

Subject's grandfather became a Canadian citizen by naturalization on July 20, 1906;

Subject's father was born in the United States, went to Canada with subject's grandfather in 1883, returned to the United States in 1895, became 21 years of age while in the United States on October 16, 1896, returned to Canada in 1907, filed on a homestead that year and received patent to the land in 1911; he did not take any steps to become a citizen of Canada but received the land as a derivative Canadian citizen through his father who had become a Canadian citizen in 1906;

Did subject's father have to take an oath of allegiance to Canada in order to secure his patent to the homestead in 1911?

Yours very truly,

(Sgd.) Franklin Davis,
Asst. Inspector in Charge.

OTTAWA 7th August, 1941.

Dear Sir:

Re: Dr. Cloy Lee Francis.
Your ref. 11 41/21c-17 U.L.F.

A copy of your letter of July 16th has been forwarded to this office by the Commissioner of Immigration as the records relating to homesteads are in this Branch of the Department.

F. Alfred Anderson applied, on behalf of F. Samuel Francis, for homestead entry for the North East quarter of Section 26, Township 9, Range 17, West of 4th Meridian on March 19th, 1903. Mr. Francis was said to be an American from Utah. In his sworn statement furnished in support of his application for patent for this land, dated September 13th, 1906, Mr. Francis gave his age as 58 years. He furnished a certificate of naturalization as a British subject dated July 2th, 1906. This man also obtained Crown Grant for the South East quarter of Section 25, Township 9, Range 17, West of 4th meridian.

Mr. Samuel John Francis, 25 years of age, born in Utah, U.S.A. obtained homestead entry for the North East quarter of Section 19, Township 10, Range 18, West of 4th Meridian, on May 21st, 1909. He stated that he was a British subject. He applied for patent or Crown grant for the land on March 11th, 1913, and in the application, claimed British nationality by virtue of his father's naturalization in 1906. In support of this claim he forwarded the certificate of naturalization of his father, Samuel Francis. He was not re-

The only security remaining therefore, for this account is the N.E. 1-12-7E .4th, and it is extremely improbable that sufficient revenue would ever be received from this property to reduce the amount of this account. The land is leased for grazing purposes in common with other [illegible] lands situated in the dry areas, and I can therefore, see no good purpose to be served by the retention of this account.

I would therefore recommend that the items be removed from title to the N.E. 1-12-E .4th, and the balance of this account be written off.

[illegible] security liens were filed against the above described parcels of land, title to which however, was taken by the Provincial Government, under Tax Recovery Proceedings, as the matter stood in this Registry Office and never went out of the District.

In the year 1[illegible] the N.W. [illegible]-7-.4th was disposed of by the Department of Provincial Affairs for the sum of four hundred dollars, ($400.00) out of which, under Mortgage No. [illegible]0, three hundred and thirty-eight dollars and thirty cents, ($338.30) was applied to various liens and they were released from title to the particular parcel.

As security liens were filed against the above described parcels of land, title to which however, was taken by the Provincial Government, under Tax Recovery proceedings, as the debtor failed in his farming operations, and moved out of the district.

In the year 1929 the N.E. 5-9-7-w.4th was disposed of by the Department of Municipal Affairs for the sum of four hundred dollars, ($400.00) out of which, under Board Order No. [illegible], three hundred and thirty-eight dollars and sixty cents, ($338.60) was applied to various liens and they were removed from title to this particular parcel.

It was expected that the other quarter-section [illegible] the S.E. 5-9-7-w.4th might also be disposed of by way of sale, as the property being situated in a very dry district where there is little if any demand for land, no offers are received. Accordingly the property was turned to the Department of Lands and Mines for administration the liens remaining on title.

The attached report, with recommendations of the Supervisor of the Collection Branch, Department of Municipal Affairs, dated March 30th, 1942, has been submitted to the Tax Consolidation Board, and in the opinion of the Board the proposed adjustment is fair and reasonable, and it is desirable that it be accepted.

[illegible] and Keller Adjustment
Board.

The only security remaining therefore, for this account is the N.W. 2-3-7-4th, and it is extremely improbable that sufficient revenue would ever be received from this property to reduce the amount of this account. The land is leased for grazing purposes in common with other Provincial lands situated in the dry areas, and I can therefore, see no good purpose to be served by the retention of this account.

I would therefore recommend that the liens be released from title to the N.W. 2-3-7-4th, and the balance of the account be written off.

Yours very truly,

W. Stewart

As security liens were filed against the above described parcels of land, title to which however, was taken by the Provincial Government, under Tax Recovery Proceedings, as the debtor failed in his farming operations, and moved out of the district.

In the year 1929 the N.E. 2-9-7-W.4th was disposed of by the Department of Municipal Affairs for the sum of four hundred dollars, ($400.00) out of which, under Board Order No. 2095, three hundred and thirty-eight dollars and sixty cents, ($338.60) was applied to various liens and they were removed from title to this particular parcel.

It was expected that the other quarter-section namely the N.W. 2-9-7-W.4th might also be disposed of by way of sale, but the property being situated in a very dry district where there is little if any demand for land, no offers were received. Evidently the property was turned over to the Department of Lands and Mines for administration with the liens remaining on title.

Memorandum:

Mr. Hume.

N.W.¼ 30-10-14 W. 4th M.
Homestead - William Lowe, patented,
3rd January, 1911.
N.E.¼ 25-10-15 W. 4th M.
Pre-emption - William Lowe.
Entry granted, 12th September, 1908.

Mr. Lowe when making application for patent for his homestead on the 8th November, 1910, claimed residence, cultivation and other improvements as shown on form No. 58A marked, attached to the homestead file.

The entrant in this case enlisted for active service with the 113th Battalion on the 16th January, 1916, and was struck off the strength on the 26th January, 1919, on demobilization.

As he secured entry for the quarter-section prior to the date of his enlistment, the time spent by him on active service could be counted as credit to the residence duties required. Therefore, he has completed the required residence duties by virtue of his military service.

Cancellation proceedings were instituted against the entry on the 11th April last for failure to make application for patent within eight years from the date of entry. No defence has been filed.

Homestead Inspector Wilcox reported on the 6th July last that the present address of the entrant was somewhere in Ontario.

Cultivation:

"80 acres broken on the homestead and
"in crop last in 1911.

General remarks:

"I was informed that the last seeding was
"done in 1911 on the homestead; has not
"been in the district since enlisting in
"the army in 1915. I was told that he
"said that he would not return to the
"land. There are no buildings nor fence
"left on the land."

GOVERNMENT OF THE PROVINCE OF ALBERTA
DEBT ADJUSTMENT ACT
OFFICE OF THE DIRECTOR

IN YOUR REPLY REFER TO FILE NO. T.M.34.

No. ...

LAND TITLES BUILDING
CALGARY, ALBERTA

May 21, 1929.

E.J. Fream, Esq.,
Chairman,
Seed Grain and Relief Adjustment Board,
Edmonton, Alberta.

Dear Sir:

Re: Ingbert Mikalson, Sec. 15- 15- 18- W.4.
Seed Grain & Relief. 126.M.7.

This party placed his affairs with this office for a general adjustment of his liabilities, which included his indebtedness to the Province for Seed Grain and Relief obtained in 1919-1922. No payments had been made on account, and his indebtedness owing is as follows:

Seed Grain, principal	$374.70	
Bank charges	46.09	
Interest to 31/12/28	185.49	
		$606.28
Relief, principal	$580.22	
Interest to 31/12/28	309.39	
		$889.61

A general arrangement was made with the creditors to accept the principal of their indebtedness as full settlement; the Standard Bank, the John Deere Plow Company, and the Gray Campbell Company, who all held security, have been paid, and given release of their securities. The balance of his funds from his 1927 crop amounting to $354.35, we held to apply on this Seed Grain and Relief account. He has made a payment of $375.00 from his 1928 crop, and now requests that the balance of $271.66 be carried over till the 1st. of December, 1929; this will make a total of $1001.01 which is the total capital expenditure.

The statement of this account shows the S½ Sec. 15- 15- 18- W.4 as security, but the search shows Mikalson to have no interest in the SW¼ Sec., it being the patented homestead of H.A. Chapman, and no liens are registered against it. The SE¼ Sec. 15 has the liens registered, but subsequent to a mortgage in favor of the Northern Trusts Company for $1200.00 which now amounts to over $2000.00. In the event of foreclosure there would be no equity for this account, as land in the Enchant district greatly depreciated during the dry years, and its present value would not satisfy the mortgage.

E.J. Fream, Esq.,
Edmonton, Alberta.

A chattel mortgage to secure the relief advances was given in 1920, and would be of little value today.

Mikalson has resided in this district for many years. He has a family of young children, and for may years prior to 1927, never produced a crop. If his creditors had insisted upon payment in full he would have been forced off the farm, but is now practically out of debt, and making progress.

I would recommend, therefore, that the cheque for $729.35 hereto attached, and upon payment of a sum of $271.66 on or before the 1st. of December, 1929, be accepted as in full settlement of this account and the undermentioned unpaid balance be written off in as far as it affects this man's indebtedness to the Province of Alberta.

BOARD ORDER
No. 1113

126 - M - 7
T - M 34

Mr. J. W. Judge,
Chairman,
Seed Grain and Relief Adjustment Board,
Edmonton, Alberta.

April 9,1953

Dear Sir:

Re: Ingbert A. Mikalson
E½ 15-45-18-W.4th.
Joint Relief Advances.
Supplementary to Board Order 1071

The above Board Order dealt with this individual's Provincial Seed Grain and Joint Relief Advances and provided for settlement of same on the basis of the principal in the total amount of One thousand and one dollar and one cent ($1,001.01). Payments were made from the proceeds of his 1927 and 1928 crops of which Four hundred and thirty-three dollars and forty cents ($433.40) was applied to the Joint Relief Advances, leaving a balance required to satisfy these advances on the basis set out of One hundred and forty-six dollars and eighty-two cents ($146.82). The above Board Order provided that the payment of this balance be carried over until December 1st.1929.

A period of reduced prices for farm produce commenced before Mr. Mikalson could make the required payment and this was further aggravated by a series of dry years. It was therefore, impossible for the required payment to be made within the time provided.

The debtor is now deceased and his widow has tendered the sum of One hundred and forty-six dollars and eighty-two cents ($146.82) completing the settlement previously arranged, requesting the same be accepted for a release of the liens.

It is my recommendation that the time for payment be extended and that the sum now offered be accepted as full settlement of the account.

Yours truly,

BCF:MN

Memorandum:

Mr. Hume.

Re N.E. ¼ 23-7-25-W. 4th M.
-Pre-emption - Henry C. Evans
Entry granted 12th September, 1908.

This settler was granted a Commission as temporary Lieutenant, Div. Cavalry, shortly after his enlistment on the 23rd September, 1914, under regimental number 1951. He was discharged from the Canadian Expeditionary Force on the 12th September, 1915, to accept a Commission in the Imperial Army.

According to an official Certificate of Death from Somerset House, London, Lt. Evans, while attached to the Royal Flying Corps, was reported as wounded and missing on the 3rd September, 1916, since when for official purposes death is presumed to have occurred on or since that date.

According to a report from the Revenue Seed Grain Office, the estate of the late Mr. Evans is not indebted to the Department for Seed Grain or Relief.

Under the circumstances, I beg to recommend the issue of Letters Patent under the provisions of Section 23 of the Dominion Lands Act on completion of payment in full of the purchase price either in the name of the deceased, or in that of his Legal Representative on the Department being furnished with a properly certified copy of Letters of Administration out of the proper Court for the Judicial District in which the land lies.

The Department has been in communication with Mr. R. F. Barnes, Barrister of Macleod, Alberta, who, on the 30th March last, stated that Alice Mary Evans, mother of the deceased, had been granted Letters of Administration and. under the circumstances, Mr. Barnes might be informed what action it will be necessary for the estate to take before Letters Patent can be issued.

Inspector Wilcox now reports under date of the 2nd ultimo:

OTTAWA, 20th January, 1926.

Memorandum:
Mr. Hume.

N.E.¼ 23-7-25 W.4th M.
Pre-emption - Henry C. Evans.
(deceased soldier).

Patent for the homestead quarter-section issued on the 16th May, 1908 and on Mr. Powell's memorandum of the 30th July, 1920, it was approved by the Acting Deputy-Minister that on completion, in full, of the purchase price, patent for the pre-emption could issue.

Mr. R.F. Barnes, Barrister, of Macleod, Alberta, was advised accordingly on the 5th August, 1920, and was also requested to furnish Letters Probate.

On the 21st December, 1920, Mr. R.F. Barnes on behalf of the estate paid $400.00 on account of the purchase price. On the 19th November, 1923, Inspector Wilcox stated "1¼ miles of fencing $100.00; Good quarter for stock homestead."

General Remarks:

"Owing to so many years of crop failure,
"I would recommend they be given an extension
"of time in which to liquidate this indebtedness.
"Mr. J. Pearce had the land rented this season,
"but he was not at home."

In view of the Inspector's report, the estate was allowed until the 1st November, 1924, to pay.

On the 29th November, 1924, Mr. R.F. Barnes, Solicitor, stated that he had written to the Administrator of the estate with respect to payment. On the 19th February, 1925, he stated that the Administrator advised him that owing to a small crop he is unable to pay anything at present. He further stated that the late entrant's mother lived in England and as she was not well off he did not wish to call upon her for money. He was then allowed until the 1st May last within which to make a substantial payment.

On the 14th April last Mr. Barnes stated that the Administrator had been unable to rent the land as it was in a drought district. He considered that sufficient had been paid to have patent issue. He was advised that payment must be made in full. With interest to the 1st November, 1925, the pre-emption indebtedness amounted to $358.52.

Re: Account of F.V.I. Killoran
S.E. 9-7-25-4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1926 seed grain amounting to $ [illegible].00 was advanced to F.V.I. Killoran on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ [illegible].00	$ 1,117.76	$ [illegible],617.76

The S.E. 9-7-25-4 was formerly the homestead entry of F.V.I. Killoran on which security he obtained the advance of seed grain in 1926.

According to Abstract of Title this parcel of land now stands in the name of The Director, The Veterans Land Act, Ottawa, Canada, clear of any encumbrance.

As the lien was never registered against the land and there is no further security, it is recommended that the indebtedness be cancelled.

Dear Sir:-

Re: William Geddes,
N.E.36-7-4-W.4th Mer.,
W.½.31-7-3-W.4th Mer. Pre-emption.
Dominion Liens.

This man obtained Seed Grain and Fodder advances from the Dominion Government as follows:-

1915	Fodder	$ 37.40
1915	Seed Grain	201.00

There has been paid the sum of $135.00 to the credit of this account, and the indebtedness appears as at August 31st, 1931, in the following amount:-

Principal	$139.80	
Interest	113.98	
		$273.38

As security for the advances liens are registered on title to the N.E.36-7-4-4. and the indebtedness is also held as a charge against the W.½.31-7-3-W.4th, which land is the debtor's pre-emption.

The Dominion liens were registered on title to the N.E.36-7-4-4 subsequent to a mortgage held by the Credit Foncier, which mortgage was registered on August 9th, 1912 as instrument number 4092 A.L. This mortgage was in the original sum of $1000.00.

The Credit Foncier have foreclosed their mortgage and title now appears in their name, unencumbered by the Dominion Liens. They have made application for unconditional discharge of the liens as noting as the occasion for the request a statement of loss sustained in connection with their mortgage loan. This statement was made under the terms of your Board's specification, and is found under the following listed:-

Principal	$950.00
Taxes Paid	1.36
Foreclosure Costs	175.00
Simple Interest at 5%.	148.00
	$1274.36

S.J. Frost, Esq.,

The estimated fair sale value of the property is quoted as $600.00. This statement of value is, in my opinion, excessive. The land is an out of the way location and is about thirty (30) miles from the nearest railway station. The buildings consist of an old log house and a log barn and there are about sixty (60) acres of cultivation. The owner, William Geddes is still in occupation, but the Mortgage Company do not intend to disturb him and they are of the opinion that there is no chance of making any collection whatever from him.

I am quite satisfied that the Mortgage Company's contention that they have suffered a loss under their loan is substantiated by facts, and as their mortgage is registered some two years prior to the issuance of the Dominion liens, I recommend that the Dominion liens be discharged from the title to this land without consideration.

The Dominion indebtedness is held as a charge against the debtor's pre-emption, the N.E.-31-7-3-4, and it is to be assumed that Geddes is still in occupation no recommendation can be made at this time in respect of the disposition of the indebtedness. It is not anticipated, however, that there is any great hope of any collection being effected in respect of this account.

Yours truly,

EDMONTON

Edmonton, August 18th, 1931.

Re N.E.¼, 36-7-4-W. 4th Mer.,
N.W.¼, 31-7-3-W. 4th Mer.,
William Geddes,
Dominion Liens.

The Seed Grain & Relief Adjustment Board, appointed under Order P. C. 2200, hereby recommends that the liens charged against the N.E.¼, 36-7-4-W. 4th Mer., and the N.W.¼, 31-7-3-W. 4th Mer., for advances made to William Geddes be adjusted as follows;-

1. That all liens charged against the N.E.¼, 36-7-4-W. 4th Mer., be unconditionally discharged.

2. That the total amount payable upon said liens be retained as a charge against the N.W.¼, 31-7-3-W. 4th Mer., and against the debtor William Geddes, under his personal covenant until settlement is made or a further recommendation submitted in connection therewith.

The Board submits the report of the Director, Debt Adjustment Act, dated August 6th, 1931, which report gives full details of all liens registered against the said land and states in support of the recommendation;-

1. That at the time the advances were made the debtor was the owner of the N.E.¼, 36-7-4-W. 4th Mer., subject to a first mortgage in favor of the Credit Foncier, F. C., for advances made prior to the said Seed Grain and Fodder advances.

2. That the Mortgagees have foreclosed upon their security and are now registered owners of said land subject to the said liens.

3. That the Mortgagees have applied for a discharge of the liens charged against this quarter section, for the reason that they are sustaining a loss in realising upon their security.

4. .....

4. That it has been established to the satisfaction of the Board that the Mortgagees will sustain a heavy loss in realising upon the said security, as it is reported that the value of the land does not exceed the sum of $600.00, while the total amount payable to the first Mortgagees, which should have priority to the liens is the sum of $1,274.36.

5. That as the Mortgagees are sustaining a loss it is desirable that the liens be discharged from this quarter section.

6. That at the time the advances were made the debtor held pre-emption entry to the N.W.¼, 31-7-3-W. 4th Mer., and is still in occupation of the said land, although he has not yet completed his pre-emption duties.

7. That it is desirable that all liens be retained as a charge against the debtor under his personal covenant until settlement is made or a further recommendation submitted in connection therewith.

The Board therefore recommends that all liens charged against the N.E.¼, 36-7-4-W. 4th Mer., be unconditionally discharged, and the total amount payable thereon be written off as uncollectible, in so far as this quarter section only is concerned.

The Board further recommends that the total amount payable upon said liens be retained as a charge against the N.W.¼, 31-7-3-W. 4th Mer., and against the debtor under his personal covenant until a settlement is made of the amount due thereon, or a further recommendation submitted in connection therewith.

BOARD ORDER
No. 3,35

68-3-11

February 25, 1947.

Mr. J.T. Judge,
Chairman,
Veterans Land Act and Relief Adjustment Board,
Edmonton, Alberta.

Dear Sir:

Re: Robert Crawford.
No. 27, [illegible] 34-6-22-4.
Joint Relief Advances

The above party in 1920 and 1922 obtained Joint Relief Advances totalling one hundred and thirty-nine dollars and thirty cents ($139.30) which are still outstanding and now amount to three hundred and ninety-five dollars and sixty cents ($395.60) including accrued interest. As security liens were given on the titles to the above lands.

The debtor homesteaded on land which was situated in a very poor farming district, resulting in the majority of the crops not exceeding four to six bushels of wheat from summerfallow on account of serious drought conditions. The debtor was never able to make much headway and found it extremely difficult at all times to continue his operations and raise a family. At the present time he is in extremely poor circumstances, 70 years of age, and has the land rented out receiving only one-third of the crop share.

Mr. Crawford is now desirous of exchanging this land for a parcel and then leasing his new land to his son under an arrangement with the officials of the Veterans' Land Act but before this can be done it is necessary that the title be cleared. The debtor has offered the sum of seventy dollars ($70.00) which he requested be accepted in full settlement of the account. A report has been obtained from the Inspector who has given the above information and the Inspector recommended that the offer be accepted.

From the foregoing it would appear that this is a case

In 1911 the Department advanced the above mentioned grain $62.50, and in 191[illegible] seed grain $[illegible].50, fodder $143.77, and relief $[illegible].7. on the security of his then unpatented pre-emption, the SW¼-15-10-15-4, Irtent for which has since issued subject to all of the liens, and his patented reserved the NW¼-of Section 10, which has previously been mortgaged to the Credit Foncier, F.C., Mortgage Company for $1000. Payments of $109.23, $[illegible].75 and $50.00 were received and applied to the credit of this account leaving outstanding as on the 31st of March last:-

Mr. Cowan of the Credit Foncier writes that the mortgage held by his Company have been advised to pay to the Municipality taxes - $4.14. and there are still taxes outstanding in arrears, the Company have been advised to pay to the Municipality in order that a certificate of title may be issued. As before stated the liens are all registered against the SW¼-15, the latest notation on the 26th of October's report, which is on file being made on the 26th of October last, and which does not convey any information as to whether or not Clewson is in residence, but only refers to the SW¼-15.

There are arrears of taxes against this quarter amounting to approximately $50.[illegible]. Clewson is also indebted to the Municipal District for seed grain, fodder and relief to the amount of $[illegible].30. interest computed to the 31st of December, 1924, and there is a possibility that the Municipal discussions were made under our agreement with the Province.

OTTAWA,

It will be noted that both of these amounts are considerably in excess of the sum of $100.00 offered by the Company for release of their quarter, and in connection therewith it should I think be taken into consideration that the Department fortunately holds better alternative security in this particular case than what usually exists due to the fact that Patent to the pre-emption has issued subject to all those Liens. Moreover as far as the apportionment on the basis of a pro rata loss is concerned the term is more or less factitious as the Department can be reasonably certain of ultimately collecting its share of whatever apportionment is granted from the remaining security. Again we are in a more fortunate position than that of Mortgage Companies in so far as we can allow our Liens to stand against properties through years of inactivity without fear of our security being prejudiced by tax sale proceedings, and forced assumption of title to protect our interests.

I think, therefore, that in this particular case we can safely reduce the sum we would otherwise demand if our alternative security was of a weaker nature, and I would respectfully suggest that the Company be requested to remit the sum of $200.00 for clearance of the North-West of 10.

They should have no objection to this amount as it represents but one-third of the total balance outstanding.

Re - H.C. Slawson,

N.W. 10-10-12-W4M.
S.W. 15-10-12-W4M.

Kindly see Mr. Turner's memorandum addressed to you under date of May 19th last. Mr. Wright of the Superintendent's staff has now submitted a report concerning the two quarter-sections in question which contains the following information:-

N. W. 10

Crop - nil.- all gone back to prairie. Soil light and sandy. Shack thereon of little value. Land in dry area twenty miles from nearest irrigation work. Value $1000.

S. W. 15

Practically same condition obtains as to nature and valuation as on above described ¼ section. Value $1000.

The total amount due on this indebtedness as on March 31st last was $597.80.

An apportionment considered on a pro rata basis of Mr. Wright's valuation of the two quarters would result in the Company having to remit $298.90 plus interest at 6% on $19[illegible].80 from March 31st last.

An apportionment computed on a pro rata basis of loss sustained should they be forced to sell the North-West 10 for not more than Mr. Wright's valuation of $1000 would be as follows:-

Their total claim.....$1889.02
Our Claim.....597.80
Total.....$2186.82

On a total claim of $2186.82,
$1000 is recovered.
Out of $597.80, $273.00 should be recovered.

Mr. J. ... Greenway,

Ottawa, 24th January, 1928.

Dear Sir,

I beg to enclose herewith for your information a statement showing indebtedness incurred by H. C. Clawson, on the security of the NW.-10-10-12-W.4th. his patented homestead previously mortgaged, and at present owned by the Credit Foncier F.C., and also his pre-emption, the SW.-15-10-12-W.4th.

You will observe from the attached statement that seed grain was advanced Mr. Clawson by this Department in 1911 and 1915.

For your information I might state that the 1911 lien is not registered against the NW.-10, but both the 1911 and 1915 liens attached to patent and are registered against the SW.-15.

Mr. George H. Cowan of the Credit Foncier advises that his Company have taken title to the NW.-10, and requests that an adjustment be made.

Apparently this is a case in connection with which an apportionment is desirable, and I would be pleased if you would refer the matter to your Board and let me have their report.

Dominion Advances
Board Order No. 10,242

The above Board Order recommended that the Crown liens be released from the title to the S.W. 24-10-12-4 for a consideration of $100.00., which has been paid, the balance of the account being retained on the title to the N.W. 10 and S.W. 15-10-12-4.

It has now been drawn to our attention that title to the S.W. 24-10-12-4 is still subject to one Crown lien registered on October 25th, 1915, for the amount of $98.58. as No. 1419 BL, the Grantor being Herbert C. Clawson. On examining the authority for release of liens forwarded by yourself to the Registrar, Land Titles Office, Calgary, under date of July 28th, 1948, it is noted that the amount of $98.58. does not appear, which would indicate that record of this lien did not appear in your file.

It is respectively requested that you forward a further release covering this additional lien to the Registrar, Land Titles Office, Calgary, insofar as the title to the S.W. 24-10-12-4 is concerned, forwarding advice to this office when the necessary action has been taken.

Your co-operation in this connection will be greatly appreciated.

Re: Account of Herbert Chester Slawson
S.W. 15 & N.W. 10-10-12-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1911, 1914 and 1915 seed grain, fodder and relief amounting to $642.32 were advanced to Herbert Chester Slawson on the security of the above mentioned land and later became attached to the S.W. 24-10-12-W4. Payments of $109.23, $108.75, $50.00 and $100.00 were received in 1915, 1916, 1917 and 1948, respectively, and applied to the principal and interest. Under authority of Order in Council P.C. 1947/2655 dated the 11th of June 1948, the S.W. 24-10-12-W4 was released as security for the liens on payment of $100.00 and the balance of the indebtedness has since remained as a charge against the S.W. 15 and N.W. 10-10-12-W4. The present standing of this account is:

Principal	Interest	Total
$ 391.61	$ 654.46	$ 1,046.07

Patent was issued in the name of Herbert C. Slawson for the N.W. 10-10-12-W4 on the 28th of October 1909 and for the S.W. 15-10-12-W4 on the 23rd of May 1917, subject to the liens.

In 1927 the land became subject to forfeiture proceedings for nonpayment of arrears of taxes and title has since been acquired by the Municipal District of Bow Island No. 13.

The land is described as light and sandy and situated in the dry area twenty miles from the nearest irrigation work.

The Municipality has been unable to dispose of the land by sale and it is presently included in a grazing lease issued in the name of a Mr. Bruce Robinson Burdett. As such the land no longer offers any security of value for our liens.

Under the circumstances it is recommended that the balance of the indebtedness be cancelled and the liens discharged.

C.W. Gilchrist.

MEMORANDUM:

Mr. Hume

Part S.E.¼ 2--12--9 W.4th Mer.

This was formerly the pre-emption of Tom Trebble, which later was converted into a soldier grant under date of the 8th of October, 1920. While it stood as his pre-emption the sum of $48.00 was paid on account of the purchase price. In view of the Order-in-Council of the 14th of January, 1931, P.C. 2329, the Secretary of the Soldier Settlement Board was advised on the 13th of February last that if Mr. Trebble was still indebted to the said Board this amount would be remitted for credit on his account. The Board replied on the 19th of the same month that this settler's indebtedness amounted to $1431.97, and requested that the refund be made.

The Soldier Settlement Board advised on the 12th ultimo that the settler had requested that title to the land be issued to the Board. A Vesting Order vesting the said land in the said Board was signed by the Minister on the 17th instant, and patent, therefore, in due course will issue in favour of the Board.

Please advise if the amount in question may be transferred to the Soldier Settlement Board for the purpose of reducing Mr. Trebble's indebtedness.

GOVERNMENT OF THE PROVINCE OF ALBERTA
DEPARTMENT OF MUNICIPAL AFFAIRS

ADDRESS REPLY
THE DEPUTY MINISTER OF MUNICIPAL AFFAIRS
EDMONTON, ALBERTA

EDMONTON, ALBERTA
April 3, 1945.

Mr. A. Soutter,
Chairman,
Seed Grain & Relief Adjustment Board,
EDMONTON, Alberta.

Dear Sir:

Re: Jeremiah Dion. Joint Relief.
NW 15 & SW 22-13-15-West 4th M.

The above party obtained the following Joint Relief Advances through the former Municipal District of McLean, giving as security liens on the title to the above parcels of land.

Relief.

April 1, 1930	$157.30
April 28, 1930	105.00
March 24, 1931	61.45
May 8, 1931	37.00
January 10, 1932	20.00
February 17, 1932	10.30
March 31, 1932	22.70
May 1, 1932	13.90
June 1, 1932	133.0
	$561.15 ✓
Int. to Mar. 31, 1932	434.48
	$995.63

Due to being located in the drier part of the Province this debtor found himself unable to continue his operations and lost his land by foreclosure action. The debtor moved from this territory with a view to locating himself elsewhere under more favourable circumstances, his present whereabouts being unknown. The mortgage under which the foreclosure action was instituted was registered prior to the liens and the latter were therefore wiped out.

(continued)...

(continued)

As there is no possibility of obtaining repayment under the personal covenant and as there now remains no security, I would recommend that the balance outstanding be written off.

Provincial Seed Grain advances in the amount of five hundred and eighty dollars and fifty-one cents ([illegible].51) have already been cancelled.

Yours very truly,

[illegible]

CHIEF COLLECTOR.

GOVERNMENT OF THE PROVINCE OF ALBERTA
DEPARTMENT OF MUNICIPAL AFFAIRS

REFER TO FILE NO. 96-S-8

ADDRESS REPLY
THE DEPUTY MINISTER OF MUNICIPAL AFFAIRS
EDMONTON, ALBERTA

EDMONTON, ALBERTA
May 30, 1945.

Mr. A. Soutter,
Chairman,
Seed Grain & Relief Adjustment Board,
EDMONTON, Alberta.

Dear Sir:

Re: Bert Sutton. Joint Relief.
S.W. 13 & S.E. 14-12-17-West 4th M.

The above party obtained the following Joint Relief Advances through the former Municipal District of McLeod No. 96, giving as security liens on the title to the above parcels of land.

January 25, 1922	
February 24, 1922	$ 10.90
April 1, 1922	18.40
May 1, 1922	14.40
May 5, 1922	162.50
	14.90
	$221.10
Int. to Mar. 31, 1932	154.04
	$375.14

The debtor due to continued drouth conditions found it necessary to endeavour to re-establish himself in a more favourable location, his present whereabouts being unknown. The land which was subject to a mortgage registered prior to the liens was abandoned and foreclosure action was taken under the mortgage, resulting in the liens being eliminated.

As there is no possibility of obtaining repayment under the personal covenant, and, as all security has now been lost, I would recommend that the balance be written off.

Dear Sir,

The debtor sold his farm some time ago for the sum of
six thousand dollars ($6000.00) and moved to Victoria for his
wife's health where he bought a place from the proceeds of
respect of the above land. After making a down payment on his

with considerable medical expenses there remained only
five hundred dollars ($500.00) owing on his present domicile.
His wife passed on three months and the expenses at that

Dear Sir:

In reply to your letter of June [illegible] your file 3007/3801, I may say that I have a copy of a homesteader named James Illi[illegible] case who is apparently the man in whom you are interested. You will probably be able to tell from the particulars given.

James Alli[illegible] case, a citizen of the U.S., obtained homestead entry for the N.E. 19-13-1 - 4th Mer. on March 26th, 1909. He informed the agent of Dominion Lands and took the application for entry, but as he was not a citizen, and had a wife 18. He was born in the United States, in the State of Utah. His previous application was given as "Cook". In a statement he made [illegible] stated that a white wife [illegible] in March of September, 1909. His wife was [illegible] in August, 1911, at which time [illegible] so as to have funds to continue his [illegible] duties. He made application for patent for the land on April 1st, 1913, and forwarded a certificate of naturalization which was returned to him on April 22nd of that year. The date of the certificate was marked on the application for patent but the date is not distinct. It appears to be March 2 th, 1913. Patent for the land was issued in the name of James Illi[illegible] and forwarded to the Registrar, and Atlee Pringle, Attorney. [illegible] was advised by letter addressed to [illegible], dated May 20th, 1913.

Yours very truly,

re R. S. Layman,

Sir:-

In this case there were certain Joint advances as made to the above, which the Adjustment Board of Alberta, in their report dated the 11th May, last, being S.G.No.4451, recommended be unconditionally written off, the land security registered against the S.E. 19-10-12 W.4th Mer., having been deleted by foreclosure of a prior mortgage, and there being no prospect of collection from the lienee.

S.G.105 1500 dated the 24th ultimo, has now issued, ratifying the recommendation of the Board, and as the liens are not registered, I presume this communication may be accepted as signifying the consent of the Department to the cancellation of the instruments and the closing out of the account, which action has already been taken in our records.

The attached report, with recommendations of the Chief Collector of the Collection Branch, Department of Municipal Affairs, dated November 13th, 1950, has been submitted to the Agricultural Relief Adjustment Board and in the opinion of the Board the proposed adjustment is fair and reasonable, and it is desirable that it be accepted.

In accordance, therefore, with the provisions of the Agricultural Relief Adjustment Act, Revised Statutes of Alberta, 1942, IT IS ORDERED that the recommendations for the adjustment and settlement of the said account contained in the said report be, and the same are, hereby APPROVED AND ACCEPTED.

Dear Sir:

Re: H.H. Jahren
NE 27 & SE 34-14-19-4
Joint Relief Advances

The above party obtained the following Joint Relief Advances, giving as security liens on the title to the above land.

Joint Relief -	Apr. 17/20	$18.05
	May 5/20	56.50
	Jan. 3/20	98.65

	Apr. 1/22	75.04
	Nov. 11/22	54.74
		448.55
	Int. Dec. 31/34	432.67
		$881.22

The debtor abandoned the land and left the country, and is now living in the United States.

Taxes accumulated on the above property and title was taken by the tax authorities under provision of the Tax Recovery Act. The land is now under the jurisdiction of the Special Areas Board, which holds same available for lease only by one of the remaining residents of the territory. Due to the low productivity of land in this part of the province only a nominal sum is received by way of rental, insufficient to provide for any recovery under the security.

As there is now no possibility of obtaining repayment under the personal covenant and as no security of value remains I would recommend that the balance outstanding be written off and liens discharged.

Provincial Seed Grain advances amounting to $955.75 together with accrued interest have already been cancelled.

Yours very truly,

CHIEF COLLECTOR.

The debtor settled on this land in 1907. [illegible] practically no machinery or assets [illegible] in and of the local coal [illegible] cost to purchase his first farm implements. The letter settled on this land in 1907. [illegible] he was starting farming with practically no machinery or assets he was working in one of the local coal mines in order to obtain sufficient cash to purchase his first farm implements. Coming to the farm the value in [illegible] he was caught in a storm with the result that both feet were badly frozen and he was a cripple for the balance of his lifetime seriously handicapping him in all of his farming operations. His wife and children, although the latter were very young, carried on with the majority of the farm work including breaking the land and [illegible]. Mrs. Evans has always had an extremely difficult time carrying on the farm work and raising the family.

The letter is now deceased having died about two years ago and all children with one exception have left the farm as a result of no prospects left [illegible] de from their farming operations due to the land being situated in an area where the soil is very light and sandy, within the drought area make farming extremely hazardous if not entirely hopeless. The one son remaining with the letter is of the opinion that the farm is not worth saving but since the widow has relied her family on the place and spent her lifetime thereon it is her desire to clear the title and [illegible] it must be admitted she is motivated almost entirely by sentimental reasons as the land itself is of insufficient value to make any effort worthwhile. The Secretary-Treasurer of the Municipal District advised that the absolute maximum price which they could receive from a sale for the two quarters would not exceed seven or eight hundred dollars.

[illegible] the picture as another reason for [illegible] desiring to satisfy these advances is so that the land which [illegible] husband may be cleared and no stigma remain with [illegible] result from the non-payment of these advances. The widow has offered the sum of one hundred and fifty dollars ($150.00) [illegible] is tendering in full settlement of these advances. While this is only a token payment considering the

total ceiling it is apparent that no more can be expected from her in view of the very small value of the assets which the family have succeeded in accumulating over a long period of the severest hardships. If it had not been for sentiment and the position of honor, the family would have long since abandoned this land.

In view of the foregoing I would recommend that the offer be accepted, the sum tendered being applied on the position advances, the balance outstanding in respect of both the pension and joint relief advances then being written off and the liens discharged.

Provincial seed grain advances of one thousand, one seventy-one dollars and ten cents ($1071.10) have already been cancelled.

Yours very truly,

[illegible].

In this case there were outstanding certain charges in the Local Office of the province and the Dominion. The Assessment Board of Alberta in their report dated 23rd October, 1931, recommended that the indebtedness be written off as a loss. They also advise that the liens are not registered. This recommendation has been modified by order in Council P.C. 56/313, dated 14th January, 1932.

In order to determine if necessary this recommendation may be accepted we consider the amount of the indebtedness to the Consolidation of the liens and the value of the property is a loss.

Action on it has already been taken on our records.

Dear Sir:-

In reply to yours of Nov. 29th, File No. 1078759 / 809340 I beg to inform you that the parcel of land in question was abandoned by Mr. V. . Glines in favour of the Municipal corporation, and that it was clearly understood and agreed that the corporation should not pay Mr. Glines for the favor. The parcel of land is located nearly in the center of the Municipality of Warner No. 36, a location very suitable for establishing Municipal headquarter, and the Municipal corporation wish to acquire title to it and use it for building ground for office building, Sheds for machinery, and other buildings that may be necessary to erect in the future.

The description of the five acres in question is as follows:-

Starting at the north-east corner of section 21, Township 2, Range 17 west of the 4th Standard Meridian, measure west on the north line of said section the distance of 436.7 feet or 707.4 Surveyor's links, thence south a like distance, thence east alike distance, to meet the eastern boundary of the said section 21, [illegible], Range 17, thence north along the said eastern boundary to the north-east corner of the section, being the point of starting.

EDMONTON, Alberta.

Dear Sir:

Re: M. M. Brooks. Joint Relief.
S½ 2 & SE 3-13-14-West 4th Mer.

The above party obtained the following Joint Relief Advances through the former Municipal District of McLean, giving as security liens on the title to the above parcels of land.

Relief.

February 28, 1920 ..... $ 12.30
May 11, 1920 ..... 50.00
November 23, 1923 ..... 100.00
April 17, 1920 ..... 139.79

Int. to Mar. 31, 1932 ..... $302.09
174.20

$476.29

Due to being located in the drier part of the province this debtor found himself unable to continue his operations and lost his land by foreclosure action under a mortgage which was registered prior to the above liens, the latter thereby being wiped out. The debtor moved from this territory with a view to locating himself elsewhere under more favourable circumstances, his present whereabouts being unknown.

As there is no possibility of obtaining repayment under the personal covenant and as there now remains no security, I would recommend that the balance outstanding be written off.

Since the 10th of August, 1909.

Mr. Mjolaness enlisted for active service on the 24th of June, 1916, with the 187th Overseas Battalion, C. E. F., was transferred to the 50th Battalion, and according to Certificate of death of the 21st of October, 1918, was killed in action on the 10th of August, 1918.

The records at Militia Headquarters show the name and address of his next of kin as:-

The Certificate of the Militia Department has been compared with the application for entry, and identity is clearly established.
